

PIANC

The World Association for
Waterborne Transport Infrastructure

Brussels, February 15, 2011.

*To the First Delegates of the
Qualifying Members of PIANC
To the National Sections'
Secretaries of PIANC
The Sister Associations of PIANC*

Subject: Setting up of a new Working Group 157 EnviCom on "**Environmental Aspects of Dredging and Port and Waterway Construction around Coastal Plant Habitats**".

Dear Madam, Dear Sir and Colleague,

The setting up of PIANC Working Group 157 on "Environmental Aspects of Dredging and Port and Waterway Construction around Coastal Plant Habitats" has duly been approved as well as its terms of reference, which are enclosed herewith.

May we ask you to inform the secretariat of EnviCom by **April 15 2011** (copy to the General Secretariat) about the name, qualification and (e-mail-) address of the expert, proposed by your country/organization. Please enclose a brief curriculum vitae of the proposed expert together with some details about his professional experiences.

A second expert per country/organization, being a young professional, can participate in the Working Group activities. Further I would like to inform you the Council of February 4, 2011 has decided that Working Group Members should either be Individual Member of PIANC, working for a Corporate Member, be an invited expert or a be a member of a Sister Organisation.

We remind you that in accordance with PIANC rules, the costs incurred in taking part in Working Groups' activities are borne by the member countries/organizations.

We thank you beforehand for your collaboration.

*Eng. L. Van Schel,
Secretary-General*
