Subject : Setting up of a new PIANC Working Group 143 (EnviCom) on **“Screening evaluation of environmental effects of navigation and infrastructure projects”**.

Dear Sir and Dear Colleague,

The setting up of a PIANC working group (EnviCom) on **“Screening evaluation of environmental effects of navigation and infrastructure projects”** has been duly approved as well as its terms of reference, which are enclosed herewith.

May we ask you to inform the Secretariat of EnviCom **before August 15, 2009** (copy to the General Secretariat) about the name, qualifications and address of the expert proposed by your country/organization to participate in the working group. **Please note that a second expert per country/organization, being a young professional, can participate in the working group activities.**

Please enclose a brief curriculum vitae of the proposed expert together with some details about his professional experiences. This working group is intended to be multi-disciplinary in its make-up and may include non-traditional stakeholder participation.

We remind you that in accordance with PIANC rules, the costs incurred in taking part in working groups' activities are borne by the member countries/organizations.

We thank you beforehand for the collaboration of your expert. Awaiting your prompt reply, we remain,

Yours sincerely,

ir. Louis Van Schel,
Secretary – General.
