

Brussels, June 17, 2009.

*To the First Delegates of the  
Qualifying Members of PIANC  
To the National Sections'  
Secretaries of PIANC  
The Sister Associations of PIANC*

**Subject** : Setting up of a new working group 140 (InCom) on **"Semi-probabilistic design concept for inland hydraulic structures"**.

Dear Sir and Colleague,

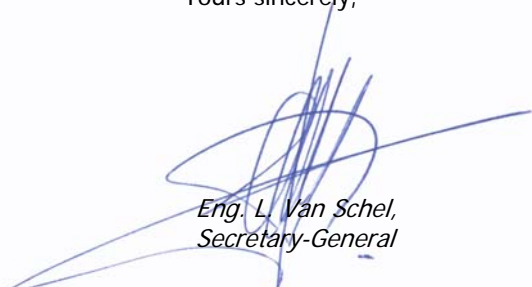

The setting up of PIANC Working Group 140 on "Semi-probabilistic design concept for inland hydraulic structures" has duly been approved as well as its terms of reference, which are enclosed herewith.

May we ask you to inform the secretariat of InCom by **August 15 2009** (copy to the General Secretariat) about the name, qualification and (e-mail-) address of the expert, proposed by your country/organization. Please enclose a brief curriculum vitae of the proposed expert together with some details about his professional experiences. **Note that a second expert per country/organization, being a young professional, can participate in the working group activities.**

We remind you that in accordance with PIANC rules, the costs incurred in taking part in working groups' activities are borne by the member countries/organizations.

We thank you beforehand for your collaboration.

Yours sincerely,

*Eng. L. Van Schel,  
Secretary-General*
