Dear Sir, Dear Madam and Colleague,

This is a second call for members for this Working Group. As it deals with an important matter, the MarCom would like to recruit more members.

May we ask you to inform the secretariat of MarCom before **April 15, 2010** (copy to the General Secretariat) about the name, qualification and (e-mail-)address of the expert, proposed by your country/organisation. Please enclose a brief curriculum vitae of the proposed expert together with some details about his professional experiences. **Note that a second expert per country/organisation, being a young professional, can participate in the working group activities.**

We remind you that in accordance with PIANC rules, the costs incurred in taking part in working groups' activities are borne by the member countries/organizations.

We thank you beforehand for your collaboration.

Yours sincerely,

*Secretary-General*
