PIANC Young Professional International Virtual Event 2022

DATES

6 and 7 December 2022

What is Our Event About?

A global initiative to show overarching issues concerning a global initiative by the PIANC Young Professionals Commission (YP-Com) to gather the PIANC community and to connect with professionals from the waterborne transport industry.

A two-day event with technical presentations from all PIANC regions: Americas, Asia-Pacific, and Europe-Africa.

We invite all PIANC Commissions, fellow members and non-members to join us in this truly international event.

A certificate will be awarded to the best speaker!
