PIANC Maritime Commission 2022 Webinar: 'Recent WG Reports and the Ever Given'

DATE

8 February 2022 - 5:00 PM-7:00 PM (UTC+1)

Maritime Navigation Commission (MarCom)

MarCom is responsible for dealing with maritime ports and navigation channels issues of interest to PIANC. MarCom co-operates with other Commissions when issues can be seen to have a broader perspective, for example when they also have an environmental or inland impact and where relevant cross-commissions issues are concerned such as Working with Nature, Climate Change or approach to target countries. MarCom also co-operates and communicates with other international organisations such as IMO, IAPH, IALA, IHMA, IAHR, IMPA, WODA, etc.

REGISTER [HERE](#)

Please join us for a webinar featuring an introduction to PIANC and MarCom, technical presentations from two recent Working Groups, and a look at the Suez Canal Ever Given incident - followed by a panel discussion with the presenters.
