Name

Email

Address

Phone

Name of marina

Location

Marina owner

Marina operator

Design Team members

Name of builder

Date of construction or reconstruction

Date of Start of last continuous operation

Website

Provide a separate document with a description of how the marina meets each of the 3 key evaluation criteria:

- Functionality
- Aesthetics
- Environmental Sustainability

Applicants should submit additional relevant information, including plans, photographs of design features, reports, or other design documents. The evaluation committee may request additional information from selected (shortlist) applicants, prior to a final decision.

Submit this form and supporting documents before January 31, 2020 to:
RecCom@pianc.org or PIANC.RecCom@gmail.com
