

PIANC
The World Association for
Waterborne Transport Infrastructure

1st African Seminar

Thursday 30th – 31st August

Venue: NH The Lord Charles Hotel – Somerset West,
Cape Town, South Africa

PIANC YP-Com & SAICE Marine

will host the **1st African Seminar** on a range of coastal engineering related topics presented by young professionals, and supported by Stellenbosch University Coastal Engineering Short Course.

We invite YP delegates worldwide to the **1st African Seminar** to be held on the 30th and 31st August 2018. The theme is “**connecting with young professionals working in Coastal engineering**”
