Unlock Your Future: FREE Student Membership!

Are you a student passionate about civil engineering, ports, or inland waterways? PIANC, the World Association for Waterborne Transport Infrastructure, is offering two years of FREE membership to students globally!

PIANC's mission is to improve the waterborne transport industry by offering a wide range of international conferences, regional seminars, and high-level technical reports.

As a PIANC Student Member, you will:

- **Get Access to Exclusive Knowledge:** Get access to technical reports upon request to support your studies and research.
- **Network Globally:** Gain access to the PIANC membership directory and connect with industry leaders worldwide.
- **Give Your Career a Kick-Start:** Access unique networking and mentorship opportunities to boost your professional development.
- **Engage with YP-Com:** Participate in events and activities organised by the Young Professionals Commission (YP-Com).
- **Attend PIANC Events at a Discount:** Receive significant reductions on registration fees for all PIANC international conferences and events.

The Offer: This free membership is valid for a maximum period of two years. Following this period, you can apply for an Individual Membership at the standard rate.

Ready to Join?

It's Simple:

Visit the PIANC website at **www.pianc.org**

Click the **'Join PIANC'** button.

Select your **Country Flag** in case your country is on the list or select the **HQ-button** in case it is not.

Don't miss this opportunity to start building your career network today!
